Nurse Hildebrand, Sydenham

West Coast Times 13 September 1910: Nurse Hildebrand, who recently re-signed her position on the nursing staff of the Greymouth Hospital in order to proceed to Christchurch, was made a presentation prior to her leaving the institution. Mr R. Crawford, on behalf of the patients presented her with a travelling rug, and in so doing referred to Miss Hildebrand as a kind, careful and efficient nurse, whom they were all sorry to lose. They were deeply indebted to her for her many kindnesses, and greatly appreciated her sterling worth as a nurse. All joined in wishing her a speedy rise in her profession and good health, happiness and prosperity in the future. Miss Hildebrand, in a neat and appropriate speech, acknowledged the gift.

Greymouth Evening Star 30 August 1911: The marriage took place at Christchurch last week of Miss Fanny Hildebrand, daughter of Mrs Gibbons, of Kumara, to Mr Arch. McDonald, who was for some time connected with the local Railway Department, but who is now stationed at Addington. Miss Hildebrand was for some time a member of the nursing staff of the Greymouth Hospital. The many friends of the newly-wedded couple in these parts will wish them every happiness and prosperity in the future.
