Miss Crysell, Hamilton - Dear Lilly, I had Constable Martin and his little girl Alice for my mates in the Domain today. She is a little hard case. The Ladies Hockey Club were playing Dunsandel today. I dont know who won. Miss Andrews told me if I went and barracked for them she would give me afternoon tea, so Martin and I went and had a delicious cup of tea it was just the thing. I think I would like her better than Mrs Brannigan more on the same level you know not so stuck up although I must say Miss B. & I got on remarkably well. If she ever wanted to know anything she would always wait and ask me, so that wasn't too bad. She rang up last night from Buchanan's office to see if I would go over and lock the safe for her. I did but not her safe Lill. Kiss again Lill from J. J. P.
