Hocken Collections MS-0167/003 Henry Selfe Selfe Papers

Office of the N.Z. Government Agency, 3, Adelaide Place, King William Street, London, E.C.

My dear Sir,

Your... notes of the 11 inst are received. Messrs Dawes & Sons are to prepare a case and to see you... before it is witnessed for ... opinion. In August last, before leaving New Zealand, I resigned the agency of the Provincial Government of Wellington. Not being officially concerned with the Government I would rather not forward to the Superintendent the letter of Messrs ... & Braithwaite which I return here with for I do not know who are the Trustees for the Sinking Funds of the Wellington Loans. I my dear Sir, Yours faithfully, John Morrison.

To H. S. Selfe Esq., 15 St George's Square, S.W.
