Hocken Collections MS-0167/003 Henry Selfe Selfe Papers

Office of the N.Z. Government Agency, 3, Adelaide Place, King William Street, London, E.C.

My dear Sir,

This morning on my return to town I got you notes of the 30th ultimo 2nd & 3rd... I have received no notice from the new Commissioners. Many thanks for informing me the substance of Lord Granville's reply to your letter. I will endeavour to see the Lyttelton times or Press of the 24th & 25th of November last to which you refer. I am ignorant who the Trustees are of the Otago sinking funds. My impression is they reside in the Colony. I will endeavour to find out. I am writing currently in order that you may know the reason of my silence. When at the West End I will call at 16 Charing Cross to see you. Yours faithfully,
John Morrison.

To H. S. Selfe Esq., 15 St George's Square, S.W.
