The New Zealander 16 May 1846 – H. M. 58th Regiment

The term of service having expired of several of the sergeants of this gallant regiment, their brother non-commissioned officers invited them to a farewell dinner, on Thursday evening, before leaving the colony, in H. M. S. *Castor*. Twenty-five sergeants assembled at the Blue Bell on the occasion, sergeant-major Moir presiding; and after partaking of an excellent repast, provided by Mr Rogers, the evening was passed in the greatest conviviality and harmony. The veterans, retiring, are quarter-master-sergeant John Jeffreys, - sergeants Flood, Carland, and Noakes, - all of whom have been engaged in the recent actions at the Bay of Islands, and have been in the service above twenty-one years. Sergeant Justin and col-sergt. Sims likewise retire, in consequence of wounds, received in the late conflicts with Heki. The meeting of so many brave, gallant fellows, to pay a parting tribute of respect and good-feeling to comrades who have been associated with them, for so many years, redounds to the honor of all the non-commissioned officers of the brave, well-known FIVE and EIGHT. The thorough cordiality subsisting, and the excellent discipline, observant of strict propriety over the convivial board, exists, in this gallant regiment, were most fully proved at this parting meeting, which will be long remembered by those present as one of the cheering, exciting eras associated with a soldier's life.
