

## Index to Nelson Immigrant Passage Money Accounts 1859-1874

Archives NZ Reference ACFT 8256 IM-N11/1/1

A review of this volume found that the index found within was nominal and did not include all the names recorded. This document is a new index and each entry links a person to a ship, with a few exceptions, and the folio where the name occurs. The person may be a sponsor for someone else on the ship, or a passenger.

Ships mentioned: Anne Dymes, Anne Longton (2 voyages), Bard of Avon, Bride, China, Edward Thornhill, Electra, Emma Colvin, Golconda (2 voyages), Inchinnan, John Masterman, Magna Bona (2 voyages), Maori, Mariner, Queen of Avon, Ravenscraig, Sir Allan McNab, Sir George Pollock, Violet, Wild Duck.

The volume records the payments for passages and this image is an example.
