

Taranaki Province - Register of Warrants 1859-1860

Archives NZ Reference ADQW 17310 TP12/5/10

This register records payments made to people for services rendered under various headings and continues through to 1863. People are repeated many times throughout and the following is an index covering the first two years. Each entry reflects the date of first occurrence of each name and the heading referred to.
