 1885 Nov 25 O'Connor, Under Secretary, Public Works

1885 Dec 03 D. Brooks, Inspector of Permanent Way, Wellington & Masterton Railway
 Sir, I am instructed by the Chairman of the Hutt County Council to ask your permission to take stone from the sea beach below the railway line, between Petoni and Ngahauranga for road purposes only. I might state that the stone I require would be of no value to you for railway purposes and would in no way interfere with the formation, as I should only take the largest of the stone down to low water mark. I find that in 1882 permission was given to the men employed on the road by this Council; to take the stone but since then the gangers on the line refuse to allow us through. An early answer to the above will greatly oblige. Signed Henry Damant, Inspector of Roads, Hutt County.
